Man, I gotta thang for a girl that I don't even know
Everybody in the hood say she a hoe
But I don't think so, I'ma try her anyway
I could turn a hoe into a housewife any day

It can even go the other way around
That's because of the pimpin' from Teddy
Penderazzdoun
Okay, here come the manipulation
I ain't tryin' to please her with my money percipertation

Aviona watch and the Aviona piece
Yellow bracelet and the King Johnny teeth
I can be like, "Hey miss lady, I got a black and gray
Mercedes
I got a Cadillac car and a Cadillac truck"
Man, but I got the feelin' she really don't give a fuck

I wanna get to know her and if I get her keys to my crib
I'ma sit her down and show her she can

Lay down and let me lay with you
If you stay around then I'ma stay with you
Ain't no way I'm leavin' girl, let's talk about it
Come here, I'ma show u how to love somebody

She a cool super duper down ass bitch
If she was a cup of liquor, I would down that bitch like
Dun dun dun dun dun dun dun
Now ya boy queen, goddamn, I done crowned that
bitch

2 weeks and we done fell into it
And ain't nobody have to tell her to do it
I'm askin' the questions about before me
I had to make sure, I knew she wasn't a hoe

She just lookin' for a nigga that can treat her like damn
Take her to the movies, buy her brand new thangs
But niggas treat her like oh skeet skr
Never heard of 'em, rippin' up a phone number
Never heard a word from 'em

But she ain't got to worry 'bout them niggas
Live life shawty, you can do without them niggas
Hey, but what can I say? Tell 'em kiss your ass
'Cause at the end of the day, you gotta place to

Lay down and let me lay with you
If you stay around then I'ma stay with you
Ain't no way I'm leavin' girl, let's talk about it
Come here, I'ma show u how to love somebody

Don't listen to dem they just jealous of you and me
I can care less 'bout what you did
And it ain't got nuttin' to do with me
I'm in love you are too, so let's do what we do
And baby girl, I'ma show u how to love somebody

Don't listen to dem, they just jealous of you and me
I can care less 'bout what you did
And it ain't got nuttin' to do with me
I'm in love, you are too, so let's do what we do
And baby girl, I'ma show u how to love somebody

Lay down and let me lay with you
If you stay around then I'ma stay with you
Ain't no way I'm leavin' girl, let's talk about it
Come here, I'ma show u how to love somebody

Lay down and let me lay with you
If you stay around then I'ma stay with you
Ain't no way I'm leavin' girl, let's talk about it
Come here, I'ma show u how to love somebody
