Yeah in the studio, in the studio
Studio oh, oh, teddy bear
Kind of big, oh

Girl just close your eyes
And picture me playing your Spanish guitar
Baby where we're going
There ain't no such thing as a bando
If I could I would stroke your body like I do my keyboard

Are your ready?
Ready to do something you never did before

Let's make luv in the studio
Studio, studio, studio, studio
Let's make luv in the studio
Studio, studio, studio, studio
Let's make luv in the

I see you from the boo
And you remind me of a brand new saxophone
Girl I'm trying my best
But the music won't let me leave you alone
And your body is like a flute, I can't stop fluting on you

Are your ready?
Ready to do something you never did before

Let's make luv in the studio
Studio, studio, studio, studio
Let's make luv in the studio
Studio, studio, studio, studio
Let's make luv in the

Do you mind if I pluck
Upon your string for one minute?
And do you mind if I do
Some nasty things for one minute?
Girl if I could I would, I would stroke your body like I do
my keyboard

Are your ready?

Ready to do something you never did before

Let's make luv in the studio

Studio, studio

Let's make luv in the studio

Studio, studio, studio, studio

Let's make luv in the studio

Studio, studio, studio

Studio, studio, studio
