## "Sweet"

Yeah  
We been in this situation  
Like once or twice  
Before now  
And I liked it  
Cause you liked it  
Yeah  
Sweet anticipation  
So very nice  
But how  
Do we fight it  
No fight it  
What we feel is so natural  
We pretty much have to  
Go with the flow  
The flow  
Of your body  
Shawty  
We can do whatever you  
Wanna do tonight  
Somehow I know what it is  
And I'm so excited

### *[Chorus 1:]*

Cause if I do it  
To you  
Then you gotta do it  
To me  
And if we do what I think we gunna do  
Shawty that will be fuckin sweet  
He ha he  
Awww  
And baby you know it  
You know you know it  
I know you know it

Ohhh  
Yeah  
Let me do you your dissertation  
I know everything

There is to know  
And I will be delighted  
To ride it yeah  
Bottom line your just the greatest  
Have you ever heard  
Of a love T.K.O  
Well girl your mike tyson  
And I like it  
And I must be psychic  
Cause I knew what you were gunna do  
Right before you did it  
Right when I got in it  
I was free  
Yeah  
But I'm a be quiet  
You know I love making love to you  
It's like a new dimension  
When you get to kissing  
On me

*[Chorus 2:]*

Cause you know if I do it  
To you  
You know you gotta do it  
To me  
And if we do it I think were gunna do  
Baby that will be fuckin sweet  
Ohhhh  
And I know you know it  
You know it  
I know you know it

Phewwww  
Yeah
