You know what i wanna do im gone drive is
motherfucker
not just sit it in it
I hope ride in that nigga car im tell u that right
now you know he gone take you out
Knowing he gone trip on that shit old bitch ass nigga
im tellin you nigga put the key in
The motherfuckin' ignition let's go round you
understand
me you know what im saying
Let's take this motherfucker see what it got under
the hood you understand me that on you we just
Ridin' stop all that bullshiting you understand stick
it to the strip club bitches sitting there makin that booty
Clap make it sound like a motherfucker standing
ovation
up in that bitch you understand me
It's like an ATM machine you put yo dollar in shit
come out yeah i put plenty dollars up in the
motherfucker
I catch one bitch up in there lookin last week nigga
i saw one bitch with 5 niggas tattooed on her left ass
cheek
You know that's when a bitch need 2 make a decission
you know if you love the nigga or you don't love the
nigga
I don't mind the names i fuck right past the name you
understand me i them motherfuckin' names turn into 1
long ass sentence
When get 2 swin' this motherfuckin' pole on these
bitches
you understand me you know what im sayin'
My dick is the shit batman motherfuckin slide down
2 change clothes get in the Batmobile nigga it's a
pole up in this bitch a pole a motherfunckin pole
A god damn nigga you done burned my hand with that
shit oh damn we done fuck the nigga Caddilac up
nigga get out the car
