[Verse]

Ring ring to you dome bitch I'm coming with a 2 piece  
I'm with the batch is playing with 2 coochies  
I love it yes I love it I do it like it's nothing  
I be bustin' I be bustin' like jackie chan stuntin'  
All the lame hoes get out bad bitches hands up  
Tear up the club we gon' leave this bitch in handcuffs  
Stand up to all the real niggers  
No matter what we do we still niggas  
So wanna ball out and get your fuck on  
Go all out take that slut home  
We goin' in we goin' off  
She on her knees I turn and cough  
Champagne on the whole crowd  
Screaming everyone it's on now  
I'm on a new vow she on that hit  
Forgive me father for I am about to sin
