Hey
We gon' have a ripping good time
Just hit rewind
And you can see I'm far too crazy
My rhythms and rhymes
Keep niggas in line
'Cause now is not the time to be lazy

I'm the ringleader man
A cane in my hand
And an iced out top hat on my head
Ain't you tired of that white mess
Sick of this wack shit
Wouldn't you like some of me instead
The ringleader man

This is my circus, I'm working
I could flip this whole game with one hand
The ringleader man
I know it's a fact that
You'd rather just have some of me instead
The ringleader man
The ringleader man

Hey
This in the street is my circus
I know that it hurts just
Sit back and take pain like I used to
And I'm tryin' to stop cursin'
But I don't give a fuck
I'm gon' curse you with lyrical voodoo

I'm the ringleader man
You can't understand
The shit that comes out of my head
But you like all that white mess
Lovin' all that wack shit
I'd rather just say fuck you instead
The ringleader man

This is my circus, I'm working
I could flip this whole game with one hand

The ringleader man
I know it's a fact that
You'd rather just have some of me instead
The ringleader man
The ringleader man
