[T-Pain:]

Aye

Yeah

Ah-ahh

Ahh

Hey

Yeah

Ah-ah-ahh

Phizzle

Somebody say if you need some security
Tip ya tag ya body and ya jewelry
And I'm him (and I'm him)
And I'm him (and I'm him)
Security perimeter of whatever ya going at
I know the cameras be flashin' I'll hold em back
Forget them (forget them)
Baby forget them
Cause I'll even protect your heart
Shawty I'll drop in front of that bullet
And pull it on the tail when you tell me to pull it
Foreal (foreal)
Duh, foreal
All we gotta do is hit that bar
And I turn into super cop
And you turn into misses 'make that big ole booty drop'
I don't need a whistle or a flashlight girl
Cause my sex is the top flight sex
Of the world

[Hook:]

Of the world friend (of the world)
That's what'cha girl said (of the world)
Better protect your girl
Cause my sex is the top flight sex
Of the what? Of the world
Of the world friend (of the world)
That's what'cha girl said (of the world)
Ready protect your girl cause my sex is the top flight
sex
Hey, of the world

[Young Cash:]

Have you ever wonder why yo girl don't trip when ya
say you're going out with your friends?
Staying out all night long (she know your cheating)
Hey
Cause as soon as you leave (you leave)
I'm pulling up in the big body Benz
Playing her favorite song (oh I can't believe it)
She said that I'm a beast in the bed
She like pulling my dreads and she love my hair
Yeah, yeah ohh...
So the next time you sexing
Don't get mad if she scream my name instead
Cause my sex is the top flight sex
Of the world

[Hook:]

Of the world friend (of the world)
That's what'cha girl said (of the world)
Better protect your girl
Cause my sex is the top flight sex
Of the what? Of the world
Of the world friend (of the world)
That's what'cha girl said (of the world)
Ready protect your girl cause my sex is the top flight
sex
Of the world
