Girl, I see you changed
You think it's effectin' me but, girl, it's not
Girl, I peep your brain
Think you're so smart but, girl, you're not

And it's a shame, ask me, ask if I care
And you're lookin' so good
Take you back, I wouldn't dare
Because and girl

I'd rather get it while the goin's good
Baby, you know I would
Do you better if you treat me the same
I'd rather get it while it's hot
Than steal it while it's not
Ooh, girl, Ur not the same anymore
Ur not the same

I'd rather get it while the goin's good
Baby, you know I would
Do you better if you treat me the same
I'd rather get it while it's hot
Than steal it while it's not
Ooh, girl, Ur not the same anymore
Ur not the same

Girl you know my skees
Always in the streets
Steady packin' my heat
Case some nigga wanna test me

You made me slow it down
Especially when you come 'round
How the hell it go down
Got me actin' like a clown

It ain't funny, girl
Ur not the same no more
Spendin' too much money
And the sex ain't the same no more

Girl you had me fooled

Up and shacked up, ooh
Now you're washed up
Hate it but it's jacked up
As convicts we gotta

I'd rather get it while the goin's good
Baby, you know I would
Do you better if you treat me the same
I'd rather get it while it's hot
Than steal it while it's not
Ooh girl, Ur not the same anymore
Ur not the same

I'd rather get it while the goin's good
Baby, you know I would
Do you better if you treat me the same
I'd rather get it while it's hot
Than steal it while it's not
Ooh girl, Ur not the same anymore
Ur not the same

Then finally I get a call
A call from you
Baby, why don't we just quit it out
Ooh, girl we're through

Don't call my phone now
I bet you think, I wanna speak
Listen to this tone now
I gotta go, go back to sleep, ooh, girl

I'd rather get it while the goin's good
Baby, you know I would
Do you better if you treat me the same
I'd rather get it while it's hot
Than steal it while it's not
Ooh, girl, Ur not the same anymore
Ur not the same

I'd rather get it while the goin's good
Baby, you know I would
Do you better if you treat me the same
I'd rather get it while it's hot
Than steal it while it's not
Ooh, girl, Ur not the same anymore
Ur not the same

Ur not the same anymore, Ur not the same
Girl, Ur not the same anymore and you know
Ur not the same anymore, Ur not the same
Girl, Ur not the same anymore and you know
