Hey , No No No No !  
Hey , Na Na Na

I can hear my baby saying my name , ( Na Na Na ) !  
But i don't see my baby in time , ( Na Na Na ) !  
Why aren't you hear , i can say  
I didn't mean word i said to you last night

If you decided to pick up the phone , oh baby  
I'll be waiting for you , Oh Woo  
Tell me what's wrong , i didn't mean to ignore you  
Don't wake me baby i can fix it baby  
Being by myself is not my biggest fear

Cuz i want you here when i come back  
There's nothing i love more for our two than that  
And i want you here when i come home  
Cuz i can't stand to be alone , you gotta be here

When i come back , No  
When i come back , Oh No  
When i come back , No  
When i come back , Oh No  
Hey , Na Na Na

I can hear you telling to come on , ( Na Na Na ) !  
But you may not even be there , ( Na Na Na ) !  
We are not gon make it if I'm always go up one  
Plus u told me you won't going anywhere , Oh No

If you decided to pick up the phone , oh baby  
I'll be waiting for you , Oh Woo  
Tell me what's wrong , i didn't mean to ignore you  
Don't wake me baby i can fix it baby  
being by myself is not my biggest fear

Cuz i want you here when i come back  
There's nothing i love more from u to do than that  
And i want you here when i come home  
Cuz i can't stand to be alone , you gotta be here

When i come back , No

When i come back , Oh No  
When i come back , No  
When i come back , Oh No  
Hey , Na Na Na
