Hold up, cut this music, you mean that all this while,
I been thinkin' you love me,
was more like my ----style,
WOW, you love my lavish habits,
my large bank accounts, somebody dial 911 like Chris
Brown I'm about to take her down,
just kiddin' but you really can't blame her,
I'm black, young, rich and famous,
look, I'm down to earth unlike these other entertainers,
my daddy raised a G, my mama prayed for me,
now I'm hoppin' on and off the PJ just to get me from
A to B, hate to say it but they hate to see,
the way chicks grill and take to me,
snap my finger, bring that cake to me,
number one they can't wait to be,
like don't stop, get it get it,
you want it come and get it,
tell it, what ya wanna hear, go introduce ya to
somebody hear

Asia Cruise & T-Pain
