Girl I See u changed
u think it's effectin me.
but girl it's NOT.
Girl i peep your brain.
Think you're so smart.
But girl you're NOT.
and it's a shame,
ask me,
ask if i care.
and u lookin so good.
take u back,
i wouldn't dare.
because and girl.

i rather get it while the goin's good,
baby u know i would.
do u better if u treat me the same.
id rather get it while it's hot,
than steal it while it's not.
ooh girl, ur not the same anymore,
ur not the same.

girl u know my skees,
always in the streets.
steady packin heat,
case some nigga wanna test me.
u made me slow it down.
especially when u come round.
how the hell it go down,
got me actin like a clown.
it ain't funny girl,
ur not the same no more,
spendin 2 much money,
and the sex ain't the same no more.
girl u had me fooled.
(up and shacked up) ooh
(now u washed up) ooh
hate it but it's jacked up.
as convicts we gotta.

i rather get it while the goin's good,

baby u know i would.
do u better if u treat me the same.
i rather get it while it's hot,
than steal it while it's not.
ooh girl, ur not the same anymore,
ur not the same.

then finally,
i get a call,
a call from u.
baby why don't we.
just quit it out.
oh girl we're through, oooooooooo
don't call my phone now,
bet u think,
i wanna speak.
listen 2 this tone now,
i gotta go,
go back 2 sleep.
ooooooooo girl

i rather get it while the goin's good,
baby u know i would.
do u better if u treat me the same.
i rather get it while it's hot,
than steal it while it's not.
ooh girl, ur not the same anymore,
ur not the same.

ur not the same anymore, ur not the same.
girl u not the same anymore and u know.
ur not the same anymore, ur not the same.
Girl u not the same anymore and u know.
