Lyrics in latin font:

Chto ne hvatayet tebe  
Chto ty prizhalas' ko mne?  
Yesli by na lune  
Bylo chut'-chut' tepleye  
(Isn't this enough for you  
That you would cuddle with me?  
If we were on the moon  
Where could be a little warmer)

Chto ne hvatayet tebe  
Chto ty prilipla k stene?  
Yesli by za oknom  
Bylo chut'-chut' temneye  
(Isn't this enough for you  
Are you stuck to the wall  
As if outside the window  
It could be a little darker)

Ty ne uznayesh' kak menya zovut  
Ya ne skazhu tebye chto ne hvatayet  
Chto-to tseplyayet  
Ya ne skazhu tebe, ne nado  
Chto ne hvatayet tebe  
Chto-to tseplyayet  
(It's like you don't know my name  
I won't tell you i've had enough  
Something to catch me with  
I won't tell you, i don't need to  
This isn't enough for you  
Something to catch me with)

Chto ne hvatayet tebe
