Just no that my time I'm takin for the right time I'm
waitin (So gone)
Jump bad if u want to, get mad if u want to (Gone)
Show your ass if u want to, but I'm a gona blast wen I
want to. drake come
And bow down no options. big money offer em's no
problems. hard time niggas
Out there starving, with no blow broke nigga get
started dawg. niggas plot
And tryin to rob don't dodge it naw
Listen closely I'm a tell you how to solve
It ya'll get you 50thousand dollar fly them hogs in. pass
them choppers out
See wut them nigga robbing. just let em follow you, like
they gone try to
Do but bet they brilliant ass don't know they being
followed too. go on
Bout your business man. now all you got to do is
introduce robber crew to
Who you gave them choppers too. then watch tmr news
you'll see a car dude
Shot down laid out look just like the car that tryin to
follow the
Follower became the followee. man I'm a shark think a
gupee gona swallow
His motherfuken mind niggas gota be. you followin me,
I'm gone blast with
No apolgy
