The beat of bondage stalks on

Hey little girl you move so fine

All I want to do is melt your mind**

Under the crimson moon

Under the crimson moon

I wanna feel your heat under the crimson moon

I wanna feel your heat under the crimson moon

You can shake your torpedoes

You can shoot your gun

You can mix your martinis

From the blood of the sun

* Repeat

I'm a chartreuse lover

I am an indigo man

In the black of the night

I'll hold your lily white hand

* Repeat

** Repeat

* Repeat twice
