"Dance With Me"

Dance with me my dear
On a floor of bones and skulls
The music is our master
The devil controls our souls
Swirling and swirling
With the music all our turning
Swaying to the sounds of a demonic beat
All our dead partners
As we walk into the crypt
Frightening but delighting
Our host unearthly gloom
Cold blood in my veins roars
I've been too long uncaged
My body's in wild convulsions
As I'm falling into the dust
A ring of death is on me
Like a halo to the Gods
I'm bathed in mortal sorrow
My innocence is lost
