One, two, three, four

You'll never drag ? down  
Look for my baby she's nowhere around  
Trace her footsteps down to the shore  
Pray she's gone for evermore

When I look in the sea and it seemed to say  
I took your baby from you away  
I heard a voice crying in the deep  
Come join me baby, in my endless sleep

Why did we quarrel? Why did we fight?  
Why did I leave you alone tonight?  
That's where the footsteps ran into the sea  
That's why my baby's gone from me

When I look in the sea and it seemed to say  
I took your baby from you away  
I heard a voice crying in the deep  
Come join me baby, in my endless sleep

Ran in the water, heart full of fear  
There is the breakers I saw her near

Reached for my darlin', ?  
Stole her from the angry sea

When I looked in the sea and it seemed to say  
I took your baby from you away  
I heard a voice crying in the deep  
Come join me baby, in my endless sleep  
Endless sleep  
Endless sleep

You'll never drag ? down  
Look for my baby she's nowhere around  
Trace her footsteps down to the shore  
Pray she's gone for evermore

When I look in the sea and it seemed to say  
I took your baby from you away

I heard a voice crying in the deep  
Come join me baby, in my endless sleep
