Aye

Let me ask you something

Aye, aye

I see u over there man

U dancing like that for me?

[Chorus:]

You know your the only one I'm feeling

All the time I got to b with u

U know I'm feeling you

Whatever you wanna do

I don't want my girl friend feeling

I don't care I'm gonna stay with u

Boy u know I'm feeling you

It's whatever u wanna do

[T.I.:]

U can have it baby cash on deck

Don't guess u understand I demand my respect

The man I respect don't believe go check

Told a hundred g's I don't need no check

I ride in ferrari's I don't need no vette

Abuse the fuel, I'm over sea's in the jet

Know how to use the tools so I don't need a vest

U ain't had no sex, u ain't brought no sweat baby

Just remember that your fucking with the best baby

Keep the sugar in the bowl, and I can do the rest baby

Nevermind the baby momma's and the ex ladys

Anytime u wanna holla shawty just say it

[Chorus:]

You know your the only one I'm feeling

All the time I got to b with u

U know I'm feeling you

Whatever you wanna do

I don't want my girl friend feeling

I don't care I'm gonna stay with u

Shawty u know I'm feeling you

It's whatever u wanna do

[T.I.:]

My little nigga pre I be's out there

Give it to u till u say it feel good right there
Ride with u through and learn that's my hood right

Yeah u dealing with a real ball player
And I'm dealing with a good girl like an all square
Playing hard to get gon with all that there
U ain't ready come a [?] next year(ray)

[Chorus:]

You know your the only one I'm feeling
All the time I got to b with u
U know I'm feeling you
Whatever you wanna do
I don't want my girl friend feeling
I don't care I'm gonna stay with u
Boy u know I'm feeling you
It's whatever u wanna do

[T.I.:]

I got a pocket full of dough
Big to the floor
All the ladys if u really with it let me know
Say you, you know I'm feeling you
Whatever you wanna do
I already bought the bar, drinks on me
We can hit the mall tommorow, baby minks on me
Say you, boy you know I'm feeling you
It's whatever you wanna do
I got a pocket full of dough
Big to the floor
All the ladys if u really with it let me know
Say you, you know I'm feeling you
Whatever you wanna do
I already bought the bar, drinks on me
We can hit the mall tommorow, baby minks on me
Say you, boy you know I'm feeling you
It's whatever you wanna do

[Chorus:]

You know your the only one I'm feeling
All the time I got to b with u
U know I'm feeling you
Whatever you wanna do
I don't want my girl friend feeling
I don't care I'm gonna stay with u

Boy u know I'm feeling you
It's whatever u wanna do
