SHE GOT ANGEL EYES WIT THE BABY FACE....
BUT SHE A FREAK THOUGH
I WANT MY MAMMA AND DADDY TA MEET HER MAYBE

MAN BUT SHE A FREAK THOUGH
THEY KEEP TALKIN ABOUTCHA BECAUSE THEY CAINT
KEEP UP WITCHA FACE
YOUR MY SUPA FREAK SUPA FREAK YOUR MY
BOI
SUPA FREAK

T.I.
My mamma taught me that errthing fine aint the finet
And errthing that shine aint a diamond
They say that change come wit time and i am findin
That most bitches take ya kindness fa blindness
Yea it feel good layin here beside ya
Diggin deep all night up inside ya
But we can kick it out in public gotta hide cha
Cause all my patnas in the hood don tried ya
It's true that you caint turn a hoe into a house wife
But listen shawty maybe i don't want a house wife
They say that you a freak i'm thinkin that they bout right
Cause ya pussy so good and ya mouth tight
Slim waist nice face and the stought nice
Juicy ass made them niggas in the south bite
She supa sexy got a nigga thinkin bout a wife> wearin
all white bein wit her fa life
But she a freak though

(CHORUS)

T.I.
The main thang makin niggas judge ya
Is the same thang that make me wanna luh ya
From the smell in ya hair when i hug ya
To the way you yell "give it to me" when i fuck ya plus
ya aint trippin off a nigga cause he thuggin
That's why i'm twice as happy our relationship so wasn't
But my patna say you trickin wit his cousin
But neva mind don't listen they be buggin

They find it hard to understand how can tip love
This girl leavin in and out of strip clubs
Maybe cause tip girls leavin wit girls
They don't know we more like homies when we pick
girls
Why he worried bout it he aint gotta make it his girl
Fuck what he think aboutcha i think you the shit girl
Make me wanna bring anotha kid in the world
But chu a freak though

CHORUS

Now i been told err nigga in the streets know
She nothin but a freak hoe
But when i look in them pretty eyes i don't see it though
Now she don showed me some shit that i aint seen
befo
But what we do behind closed doors is fa me ta know
All and all i decided i'ma keep her tho
I'm a fuckin grown man what i'm creepin fo
Just try me for her folk
That's what i tote heatas fo
I die bout her for a real good reason tho
That's how i feel let my mamma and patnas know
Keep it real all tha dis respect has gotta go
I disrespect her she aint selfish she don't hide it
I know she may have been a tad misguided
All she need is a lil direction
Alotta efection
A nigga wit a constant erection
Now i been wastin plenty time
Contaplatin second guessin
Procrastinatin
I wanna buy a ring and pop the question
But she a freak though!

CHORUS TIL FADES.
