Music by: M. Kierszenbaum

Lyrics by: D. Stewart

Is it too late
Nothing to salvage
You look away
Clear of the damage

The meaning to
Our words of love
Has disappeared

We used to love one another
Give to each other
Lie undercover so,
Are you friend or foe

Love one another
Live for each other
So, are you friend or foe
Cause I used to know

The promises
Hollow concessions
And innocent show of affection
I touch your hand
A hologram
Are you still there

We used to love one another
Give to each other
Lie undercover so,
Are you friend or foe

Love one another
Live for each other
So, are you friend or foe
Cause I used to know
(we used to, we used to,
We used to, used to, used to)

Is it too late
Nothing to salvage
You look away
Clear of the damage

The meaning to
Our words of love
Has disappeared

We used to love one another
Give to each other
Lie undercover so,
Are you friend or foe

Love one another
Live for each other
So, are you friend or foe
Cause I used to know

We used to love one another
Give to each other
Lie undercover so,
Are you friend or foe

Love one another
Live for each other
So, are you friend or foe
Cause I used to know

(Cause I used to know, are you friend or foe)
Lie undercover so, are you friend or foe

Love one another
Live for each other
So, are you friend or foe
Friend or foe, friend or foe
Friend or foe
