Marc Bolan - guitar, vocal, maraccas and tambourine

Dino Dines - keyboards

Herbie Flowers- bass

Tony Newman- drums

Play in a loud cloud

When I'm down you bring me up, babe

When I'm up you bring me down

When I'm down you bring me up, babe

When I'm up you bring me down

I'm such a contradiction- I'm just hung-up *

Get off my back and leave me

Oh shit, let's get it on

Get off my back and leave me

Oh shit, let's get it on

I'm such a contradiction- I'm just hung-up

I'm such a contradiction- I'm just hung-up

Everything is sweet babe

Then everything is the pits

Everything is sweet babe

Then everything is the pits

You love me then you leave me

How come you always pick the hits?

* Repeat
