From asceno to a kilo imma neighborhood hero  
They be talking love but they aint never seen a key

Never chop them 63's down to triple 0  
Hate on me so much but I'm what you wanna be though  
Might of went triple platinum but you never been a g

So what we can meet up you get your ass beat up  
The reason people honor me the reason why you under

(Akon) (chorus)  
We get it poppin on site  
I'm sure you already know my steno

See I've never been a buster just a true hustler  
My squad is lethal

I can make you look bigger then neno  
Just put a gun in your hand let you ride with the man  
cause imma motherfucking hero

Apart from his heart to his ass swear to god  
Give a fuck about his partner give a damn about a  
charge

Empty clips in your new car  
Picture you dead a zoom off  
Admit it you lost probly cause shawty to raw

(Akon)

Got a box of ammo that I rarely use  
9 millimeter that shine like shoes  
Hope the day never come where a nigga have to  
Let it go on the bust and hope it aint you  
Cause I be on deck on the grind like sex  
Taking over local city street like feds  
Breaking down ever nickel, every dime, every brick  
Down to the last dollar I mean every bit

(Akon) (chorus)x2

We get it poppin on site  
I'm sure you already know my steno  
See I've never been a buster just a true hustler  
My squad is lethal

Just put a gun in your hand let you ride with the man  
cause imma motherfucking hero
