If I share with you my story would you share your dollar  
with me (hey hey)  
Well I need a dollar, dollar, dollar that's what I need  
(hey hey)  
Said I need a dollar, dollar, dollar that's what I need  
(hey hey)  
And I need a dollar, dollar, dollar that's what I need  
And if I share with you my story would you share you  
dollar with me

You know what it is  
Bitch still none other than the king  
Need green just to occupy my rubberbands  
Hundred grand at a time, keep it coming  
When I started I was trapping  
Woke up ballin like "what happened?"  
It's gonna be hell to the captain  
Let's just smoke up in this city  
Let me get a 100 milli and focus on a billi  
What's the muthafuckin dilly nigga? you already know  
Profits at a steady flow, cheddar, paper, you already  
know  
Stay a step ahead of whoever when niggas say he go  
We never should've let him go to movies, television  
shows  
And who we foolin? he ain't stupid  
His bankroll just meet his ego  
No less than seven zeroes, stimulate bitches libido  
So crazy just like danger mouse and cee-lo  
From a kilo to a yacht in cabo  
Chillin like december in toledo  
He's so hungry for the money like he's still selling  
dimes  
Got a mill on his mind, dollar bill at a time

If I share with you my story would you share your dollar  
with me (hey hey)  
Well I need a dollar, dollar, dollar that's what I need  
(hey hey)  
Said I need a dollar, dollar, dollar that's what I need  
(hey hey)

And I need a dollar, dollar, dollar that's what I need  
And if I share with you my story would you share you  
dollar with me

Ain't no vacation, working like a jamaican  
Mixed with a hatian  
Several different occupations, no exaggeration  
18-20 hour days while you sleeping I'm making money  
Patient I ain't tracin' money, 'less the conversation  
money  
What you saying dunny? why you talking to me huh?  
Hundred bound vs a quarter mill a show, a mill a movie  
Prps, gucci, louis, got my head as big as stewy  
20 mills the answer if you ask mw how our crew are  
doing  
Now I keep it moving, no exception, no conclusion  
If we racing to the top, no competition, I'm a shoe-in  
And you in my way, don't ruin my faith  
'Fore I pay a 100k for them to boo you off stage  
I'm way up front, stop playing, don't prank  
Used to want dough like jay-z but now I'm thinking  
donald trump  
Bob johnson, warren buffett, fuck it, a in't that tough  
Hundred mils stacked up, dollar bills add up

If I share with you my story would you share your dollar  
with me (hey hey)  
Well I need a dollar, dollar, dollar that's what I need  
(hey hey)  
Said I need a dollar, dollar, dollar that's what I need  
(hey hey)  
And I need a dollar, dollar, dollar that's what I need  
And if I share with you my story would you share you  
dollar with me
