CHORUS

I still love you [my love]
I still need you [my heart]
I love you honey [bunny]
you are the only one [believe me]
and I hope I be the only one for you
can't you see
I still love you, I still need you

Yes I've done something wrong
and I'm so sorry about that
I'm so sorry about everything

Forgive me - I thought you'd always be mine
I thought I could never lose you
but now I know - I feel - I believe
there's an other guy
you love - an other heart in your mind

CHORUS - repeats

I'm so scared
that I could lose you now
I'm so scared
that I could see you
with an other person in your arms
oh help me my god
tell me that I'm wrong
tell me that this is not the truth

BRIDGE

Do you still love me
do you still need me
do you still know that I'm here for you
if you need me too

CHORUS - repeats

BRIDGE - repeats
