Running around in the dawn
with that hat
I can see
I'm no match for you

and doing the foxtrot on yer knees
dog'gone girl
it's so hard to contemplate you
because, your
so full of Interstellar Soul
(push it, push it)
so full of Interstellar Soul
(push it, push it)

that ring and just one cashmere
mmn, girl, but it's sculpted you
silk and diamonds gilded gauntlet
kinda weird,
but I'm scared to look at you
cause your
so full of Interstellar Soul
(push it, push it)
so full of Interstellar Soul
(push it, push it)

street head picked the tall queen
Girl, that's right, if that's your scene
but when the sunlight stings the streets
all your friends look like horror film fiends

cause your
so full of Interstellar Soul
(push it, push it!)

4X
oh yeah....
ummmm hummmm.....
so full of Interstellar Soul
(push it, push it)

4X
lean on my head
kiss my knees
freeze me baby

bumble bee in my ear
I see a tear
but it's solid gold
I don't want to get like you
oh oh...hmmmmmm
yeah, yeah, yeah, yeah, yeah,
yeah, yeah, yeah!
aaah! :)
