when you take the hand  
of the liquid gang, oh yeah.....

he's such a messy eater  
he's got frogs in his eyes  
from telling those lies  
so Sunday's almost Monday  
you got to understand  
it's gonna be grand  
when you take the hand  
of the liquid gang, oh yeah.....

shelly silver belly  
she's got me on the telly  
damn little god

but that's how it begun

you got to understand  
when you take the hand  
of the liquid gang, oh yeah.....

your gonna be, gonna be grand (2X)  
your gonna be, gonna be glad (2X)

alligator heat with the dancing feat  
rides a jewelled jump bike  
he does what he likes  
but he has a light  
but your out of sight

you got to understand  
when you take the hand  
of the liquid gang, oh yeah.....

your gonna be, gonna be glad (2X)  
(long horns part and guitar solo)
