[spoken]

What's happening man this T.I.P. you kno I like to  
dedicate this song to anybody who done ever lost  
Somebody, to the grave, to the streets, to the jail sail, I  
done been in situations where I done had to  
Cope with all three you kno what Im saying, I feel like  
the only thing haven't done yet is die you know what im  
saying and it aint but how you live when you here it's  
about how you live when you leave ya dig

[Chorus]

Life's up and downs they come and go ....but when I die  
I hope I live in the sky...All my folks who  
Aint alive I hope they live in the sky..pray to God when I  
die that I live in the sky ..It's true what  
Goes around comes back you kno..So when I die I hope  
I live in the sky..All my folk who aint survive may  
They live in the sky...Tell God I wanna fly and let me live  
in the sky...

[Verse 1]

My cousin Toot aint have to die right in front of his son  
and his wife  
He lost his life struggling over a gun  
Give a damn what he done dats my muthafuckin folk  
and I love that nigga til death no muthafuckin joke  
I can feel my eyes fillin the lord is my witness  
If I catch em Imma kill em I made it my bizness  
Back in the day you stayed in my bizness taught I didn't  
have to incoorporate yay in my bizness  
Coincedently that's why today you not wit me  
My cousin died ova some yay and I miss em  
Plus he had his family out let's say she the eye witness  
But her boyfriend did the shooting judge gave her life  
sentence  
I heard that now Im dressed up in all black  
Shot up the whole apartments and still aint brought  
back  
The best friend I had in Jamel I lost that

I guess your death was a lesson in life it taught me that

[repeat chorus]

[Verse 2]

Who ever seen a nigga go to jail sleep til day two  
Well that's how sick I was when Jayrue  
Found out  
The hard way that whating pour they was tooting  
Over-dosed on heroin died at 22  
If you aint heard about  
Daughter she smile just like you  
So cute even resorts to violence like you  
You kno you ya baby mama  
Loose but ha what can you do  
And i got 4 myself yep it's been a few  
Now everything I do is for  
King, messiah, daysia, damani  
Lord they all I got so please don't take em from me  
From me standin in the  
Trap wit corin and sir kap  
Laughin at the niggas who serve with no strap  
Tell them niggas man yall  
Trippin wit no map  
Get robbed and ask to borrow my pistol aint no hap  
Me, you, the crew just fell out ova  
Dough and a little crack  
Never could apoligize you died that's why they saying..

[repeat chorus]

[Verse 3]

I bet you niggas thinking Im living it up  
Til you see polices laughing as they pickin me up  
Went from seeing how many bitches i can fit in the  
truck  
To 3 hots and a cot is you kidding or what fuck how  
Many millions I got nigga so what if Im hot when I got  
prices on my head  
Feds rushing my spot a million  
Haters want me dead force to carry me gat  
But you a seven time felon wat you doing with dat  
It's a catch  
22 either you lose or you lose  
That's the way the game structured for real niggas to  
suffer  
And I aint never  
Been a busta alway stood on my feet  
Like a man prepared to take what ever coming for me  
A pussy nigga  
Or polices wit a warrant for me

Im a "G" prepared to die for what's important to me  
Look anybody in the  
Eye who say they want it wit me  
Put up the house and bet the odds if coming from me  
OG's say I need to  
Learn to be patient  
You telling me wit these seven years of probation  
Pistol charges and a host of  
Other open cases  
If niggas only knew the kind of time I was facing  
I tried to keep it to myself but  
Sometime I couldnt take it  
Got 4 kids wit smiles on they faces  
Mean more to me than my crown and my bracelet  
Take that away from me and my life is butt naked

[repeat chorus]
