Chuzogo ne beri,
Svoyo ne otdavai
Sozhmur'sya i umri,
Lyubi i umirai
(Don't take from others
Don't give what's yours
Shut your eyes and die
Love as you die)

Skazhi i poklyanis',
Skazhi chto yerunda,
Umri i pritvoris'
Chto lyubish' navsegda
(Swear to me
Tell me it's nonsense
Die and pretend
That you'll love forever)

Večer bez lyubvi
Utro bez obidy
Lyudi-invalidy
Lyudi-invalidy
(Evening without love,
Morning without occurrences
Disabled people
Disabled people)

Večer bez lyubvi
Utro bez obidy
Lyudi-invalidy
Lyudi-invalidy...
(Evening without love,
Morning without occurrences
Disabled people
Disabled people...)

Poteryannyh ne zhut
Pechal'nyh ne hotyat
Takiye ne zhivut
Ih topyat kak kotyat
(No one waits for the lost

No one wants the sad
These people don't live
They drown like kittens)

Sozhmur'sya i umri
Skazhi chto yerunda,
Sozhmur'sya i sovri
Chto lyubish' navsegda
(Shut your eyes and die
Tell me it's nonsense
Shut your eyes and lie to me
That you'll love forever)

Vecher bez lyubvi
Utro bez obidy
Lyudi-invalidy
Lyudi-invalidy
(Evening without love,
Morning without occurrences
Disabled people
Disabled people)

Vecher bez lyubvi
Utro bez obidy
Lyudi-invalidy
Lyudi-invalidy
(Evening without love,
Morning without occurrences
Disabled people
