(M. Herz) A short time ago The pope had to say The world hadn't be created In seven days Refrain: We began to fuck this way And we, we'll never pray we'll never pray Oh, don't pay for pray don't pay for pray don't pay for pray don't pay for pray What a religion, You have to pay for 'cause if you don't pay You can't knock on heavens door! Refrain I will never Ring that bell 'cause it's better To go to hell. Refrain
