Not gonna get us  
They're not gonna get us  
Not gonna get us  
Not gonna get us

Starting from here, let's make a promise  
You and me, let's just be honest  
We're gonna run, nothing can stop us  
Even the night that falls all around us

Soon there will be laughter and voices  
Beyond the clouds over the mountains  
We'll run away on roads that are empty  
Lights from the airfield shining upon you

Nothing can stop us, not, now I love you  
They're not gonna get us, they're not gonna get us  
Nothing can stop us, not, now I love you  
They're not gonna get us, they're not gonna get us  
They're not gonna get us

Not gonna get us  
Not gonna get us

We'll run away, to everything simple  
Night will come down, our guardian angel  
We rush ahead, the crossroads are empty  
Our spirits rise, they're not, gonna get us

My love for you, always forever  
Just you and me, all else is nothing  
Not going back, not going back there  
They don't understand, they don't understand us

Not gonna get us  
Not gonna get us

Nothing can stop us, not, now I love you

They're not gonna get us, they're not gonna get us  
Nothing can stop us, not, now I love you  
They're not gonna get us, they're not gonna get us  
They're not gonna get us
