Nikomu nikto ne vinovat
Kazhdoi luzhe po svoeyi lune
Tol'ko bol'she net koordinat
Na kotoryh ty naidyoshsya mne
(No one can blame anyone
The moon is reflected in each puddle
There are no more coordinates
That I can use to find you)

Ya uzhe ne tam a ty ne zdes'
Razminulish' glupo oblaka*
Obez'yanka, ty poka chto yest' **
Obez'yanka, ya zhiva poka
(I'm still not there and you're not here
The clouds foolishly miss each other
A monkey, you are for now
Monkey, and I'm alive for now)

Moya veselaya
Moya smeshnaya bol'
Ya obez'yanka-nol'
Ty obez'yanka-nol'
(You're my cheerful pain,
You're my funny pain
I'm Monkey Number Zero
You're Monkey Number Zero)

Chestnyh psihov mozjno ne lechit'
Ne otpustit ni tebe ni mne
S etoi grusti nam ne soscokhit'
Obez'yanki budut zhit' v tyur'me
(Honest psychos don't need healing
Neither of us will be set free
We can't give up this anguish
Monkeys will live in prison)

Obez'yanki budut zhit v tyur'me
Vsem lyubov', a obez'yankam grust'
Obez'yanka ty prisnishsya mne
Obez'yanka ya tebe prisnyus'
(Monkeys will live in prison)

Love for everyone and anguish for monkeys
You're the monkey in my dreams
Monkey - I'll be in your dreams)

Moya veselaya
Moya smeshnaya bol'
Ya obez'yanka nol'
Ty obez'yanka-nol'
(You're my cheerful pain,
You're my funny pain
I'm Monkey Number Zero
You're Monkey Number Zero)

Moya veselaya
Moya smeshnaya bol'
Ya obez'yanka nol'
Ty obez'yanka-nol'
(You're my cheerful pain,
You're my funny pain
I'm Monkey Number Zero
