In the moonlight  
Fighting with the night  
It's a rip-off  
Kissing all the slain  
I'm bleeding in the rain  
It's a rip-off  
Such a rip-off  
Rocking in the nude  
I'm feeling such a dude  
It's a rip-off

Dancing in the dark  
With the tramps in the park  
It's a rip-off  
Such a rip-off  
See your baby's stud  
Sliding in the mud  
It's a rip-off

Bleached on the beach  
I want to tickle your peach  
It's a rip-off  
Such a rip-off  
See the girl dance  
In her man-skin pants  
It's a rip-off

Terraplane Tommy  
Wants to bang your gong  
It's a rip-off  
Such a rip-off  
Gypsy girl's good  
People treat her like a fool  
It's a rip-off  
The President's weird  
He's got a burgundy beard  
It's a rip-off  
Such a rip-off  
I'm the King of the highway  
I'm the Queen of the hop  
You should see me  
At the Governors ball

Doing the rip-off bop  
I'm a social person  
I'm the creature in disguise  
There's a man with a whip  
On his silver lip  
Living inside my eyes  
I'm the cat from the alley  
I'm the fleetfoot voodoo man  
There's very little that's ever said  
All of which I understand  
Caught like a skunk  
In space and time  
It's a rip-off  
If it's her's  
Well it must be mine  
It's a rip-off  
Such a rip-off
