I saw a picture yesterday
You know the one we were laughing in the rain
Remember how it used to be
Remember you were still in love with me

But you turned away
And I start to cry
I'm lost without your love
And I won't survive
Don't leave me
Alone tonight
I'm lost without your love
And I won't survive

Don't leave me
Cause I won't survive
I'm lost without your love
And I won't survive

I can't believe that we are through
Is it someone else
Have you found somebody new
Cause in die inside
Every-time I close my eyes
And imagine myself living without you

But you turned the way
And I start to cry
I'm lost without your love
And I won't survive

Don't leave me
Alone tonight
I'm lost without your love
And I won't survive

Don't leave me
Cause I won't survive
I'm lost without your love
And I won't survive
