Superbad Tiger, running with your brain
tucked beneath your arms,
like a devil trade
when the angels from the heavens
meet the angels from the earth
you'll hid inside your cave, u-huh
that's right of course
and we know we'll explore with
all the angels

I known lots of ladies
and the ladies know me
I can foxy rocks of puncture
and I'm funky bone free
you can weedle
till you kiss me
with the honey from your mouth
cause believe me
I'm a bad noon boxer
I'll never come in your house
and we know we'll explore
with ore of angels!
