[Chorus:]

We don't get down like y'all,
Na, na, na, na, na!
Na, na, na, na, na!
We don't get down like y'all,
Suck it nigger, we don't get down like y'all!

It's been a lot of back and forth over this and that...
So I don't pick the... no more, I just get...
Listen, pimpin', let me tell you what the business is...
Y'all a... so I'mma tell you what the difference is...
See, we old school, you just old news... ,
We used to move blow, now u jus blow dude...
See we the talk of the town me and my whole crew,
You run around town gossip like the hoe do,
See you name drop when nobody knows you,
We get the lames out our section like we pose to...
My crew, we cop the bentley brooklyn and the road too,
You give her roses I'm the one she bring the rose to.
So you say you're shining, well I guess I'm shining
more,
So high up, I'm soarin thirty and I'm like a dinosaur,
carnivore
Meateater, G's they respect...
Me to you like comparin a vet to a cadet nigga...

[Chorus:]

We don't get down like y'all,
... I do, you talk,
I'm real, you're flaw,
Cause nigger, we don't get down like you!
Suck it nigger, we don't get down like you!

Don't call it the comeback,
... pull on the suckers, pop the trunk and tell 'em get in!
Thought I lost a step well guess again...
Back to ballin gettin bread bring them checks in.
Yeah, like we did on my las case
I showed you how to make a blessing out a bad break
Hey, let me set you niggers ass straight,,...
Loosen up fag bait!
Them hot pants bad for ya prostate lime green hot pink

ya drag queen hot date

The stores askin for the same size the bitches buy they
say it's hip but where I'm from we call it sissyfied

[Chorus:]

We don't get down like y'all,

... I do, you talk,

I'm real, you're flow,

Cause nigger, we don't get down like you!

Suck it nigger, we don't get down like you!

Before us there was none, after us no more than ever
be,

This is the greatest show on earth ya ever see,

Still do it for my nigger in the streets, getting into

Blowing money like my nigger, big meats used to do it,

Say we're blowing money fast...

Big ol money bag 3, 4 hundred cash just to make them
sucka mad...

Back in the saddle the winner of every battle,

Been the best since I was rappin in the... word travel.

As you comment of the rumors or what have you
beware, dude,

Prayer can't prepare you, how dare you?

Disrespect my presence peasants I will tear you,

A new one I poop on, your egos and move on

Rolls royce back seat no great poupon, a true don

Three piece... suit on... , peeon...

Hear the truth on every song I soew on...

[Chorus:]

We don't get down like y'all,

... I do, you talk,

I'm real, you're flow,

Cause nigger, we don't get down like you!

Suck it nigger, we don't get down like you!
