Jimmy Carter ran for president again
You voted for who you want but the government wins
Its not a question of who can do the job
Its just a matter of how much money you have

[Chorus]

In the world war three
World war three
Where do I stand in this form of power
Where do I fit in this government
I find no choice
Third world war
And your the victims
Third world war
And your the victims

If I don't register I have to pay
I refuse to go there's no fucking way
The systems looking for a drastic change
Don't look at me cause I'm out of your range

[Chorus x2]

Don't go
Don't go
Don't go
Don't go

I wont go
I wont go
I wont go
I wont go

Don't go
Don't go
Don't go
Don't go

I wont go
I wont go

I wont go
I wont go

Don't go
