She make me feel so good  
Better than I would by myself  
Or with somebody else

She make the people say yeah, yeah

Imma put you in a log cabin  
Somewhere in aspen  
Girl aint nothin to the pain ain't  
Trickin if you got what you askin... for

Put you in a mansion  
Somewhere in Wiscasin  
Like I said aint nothing to the pain we  
Can change your last name what's happenin

Cuz you look so good  
Tell me why you wanna work here  
I'll put you on the front page of a king magazine  
But you gon get your self hurt here

Ay baby I brought you in the back just have a  
conversation  
I really think you need some ventilation  
Lets talk about uuuu and meeee

Oo, I can't believe it  
Oo oo, she all on me (on me)  
Man man I think she want me (want me)  
Naw I can't leave her lonely nawwww

Oo, I can't believe it  
Oo oo, she all on me (on me)  
Man man I think she want me (want me)  
Naw I can't leave her lonely nawwww

U don't understand she make  
The people say yeahhhh, yeahhhh, yeahhhh  
She hit the main stage she make  
The people say yeahhh, yeahhh, yeahhh

I could put you in a condo,

All the way up in Toronto,  
Baby put you in a fur coat, ridin in the Murcielago,  
I could put you in a beach house, right on the edge of  
Costa Rica,  
Put one of them lil flowers in your hair, have you lookin  
like I fly mamasita  
(Fuego)

Cuz you look so good,  
U make me wanna spend it all on ya,  
Get up out this club,  
Slide wit ya boi, we can do what ya wanna, yeahhh,  
Baby I brought you in the back cuz you need a lil  
persuasion,  
Plus you need a lil ventilation,  
Lets talk about uuuu and meeee

Oo, I can't believe it  
Oo oo, she all on me (on me)  
Man man I think she want me (want me)  
Naw I can't leave her lonely nawwww

Oo, I can't believe it  
Oo oo, she all on me (on me)  
Man man I think she want me (want me)  
Naw I can't leave her lonely nawwww

And u don't understand she make  
The people say yeahhhh, yeahhhh, yeahhhh  
She hit the main stage she make  
The people say yeahhh, yeahhh, yeahhh

Now I can put your ass out,  
Oooo keep runnin your mouth,  
And if your brothers come trippin I'm show them what  
these tear drops about,  
Shawty I was just playin,  
Oo but I can take you to the virgin... islands  
Have you screamin and hollerin, gon be makin love on  
the beach the people see wat we doin, aww they pointin  
and ooin but we gon keep on doin, it like it's just me  
and you aint no one else around, we went down on the  
balcony, and I laid how sweet, shawty like a model out  
penthouse how shes, that's why I got her on my  
penthouse sheets

And oo, I can't believe it  
Oo oo, she all on me (on me)  
Man man I think she want me (want me)  
Naw I can't leave her lonely nawwww

Oo, I can't believe it  
Oo oo, she all on me (on me)  
Man man I think she want me (want me)  
Naw I can't leave her lonely nawwww

And u don't understand she make  
The people say yeahhhh, yeahhhh, yeahhhh  
She hit the main stage she make  
The people say yeahhh, yeahhh, yeahhh
