TRANSLATION

An array of emotions
Distortion
I am and i'm not
I'm censoring myself

At the rivers in your sleep
Small fires and snow
I hide and spin
I spin myself

And the river sparkles
And the bridges flash by
And two small animals slide by
In an empty catafalque**
You won't roll away
Sorry, Everything has been erased

But it doesn't matter to him
Gay - Gay
The small ball will bounce
Without you and with you
You won't return
Sorry, Everything has been erased

And on all the kittens
Trapped in a nuthouse
Like a game of spinning tops
Start spinning the game
All my love

An array of emotions
I'm in general not myself
I'm spinning like snow
I'm censoring myself

And they dream in their sleep
Small fires in January
Orange Snow
On your lantern

You won't return, sorry
It's been erased

And don't you put yourself
In the house that you hate
And you run in terror
Like in a dark mine
You won't return, sorry
It's been erased

Orbiting debris
Traitors, Cowards
Lifeless immortality
They turn, turn
All my love
