Yeah yeah,
Ok you see me in a packed club, vip
see me doing me, I be
Poppin bottles tossin dollers out to every freak I see
haters be, looking hard maybe cause we took they
broad simmer down guard you know you don't want it
with the squad. aye listen, hear me loud and clear even
though it loud in here hit the bar and grab a beer then
get your ass dragged out of here king of the club same
captain of the dream team big bank avalanche hit me
watch me as your ship sink, you be on that sucka shit I
be on some other shit meet a bitch, fuck a bitch, drop
her, find another bitch sucka hate my gut for dis n dat
but ho's be loving it whatever you had budgeted my
pocket money double it. rich kids like my lil cousin, still
thuggin it.
it hurts to see me do it big then get out ballin doesn't
it?
now wasn't it, the rawest shit you saw in your life how
we took a 100 rats to the club and spent it all in a night.

[Chorus:]

Poppin bottles in the club, buckets on ice haters in the
corner mean muggin alright watch us while we ball
like... heeey! we gon be at it all night... ball like... heeey!
we gon be at it all night... I seperate you from your girl
cause I know what they all like, black, white, latin, short
tall, all types love it when I ball like... heey! we gon be at
it all night... ball like... heey! we gon be at it all night.

[Verse 2:]

always been the judge wouldve threw the book at me
cause I show up to the club super cool look at me
everything brand new, you get money like who? spend
150 on my car and my automar too since I walked up in
the spot... ain't nobody saw you, they see me like "they
he go!" look at you like aww boo, bought every bottle at
the bar shawty you know how I do I take them all across
your noggin I ain't finna argue It's still big shit poppin
nothing changed but my clothes, triple digits in my
pockets rubber band bank rolls tell your bitch I'll take
her places where ya man can't go, can't be, he ain't

doin shit if he ain't me can't you see the difference
between us when I walk up in the door get 20, 000
worth of ones start lettin that money go let it fly throw
some 20 when my ones running low 50 stacks ima
show you how to ball double dat.

[Chorus:]

Poppin bottles in the club, buckets on ice haters in the
corner mean muggin alright watch us while we ball
like... hey! we gon be at it all night... ball like... hey! we
gon be at it all night... I seperate you from your girl
cause I know what they all like black, white, latin, short
tall, all types love it when I ball like... hey! we gon be at
it all night... ball like... hey! we gon be at it all night.

[Verse 3:]

He cant hit it unless he pay her, dat nigga ain't a playa,
you say it's a recession shit and me I can't tell... watch
us while we ball like... hey! we gon be at it all night...
ball like... hey!... we gon be at it all night... now throw it
in the air representin ATL let it hit em in the hair... all
the bitches like yeahh! love it when I ball like... hey! we
gon be at it all night ball like... hey! we gon be at it all
night.

[Chorus:]

Poppin bottles in the club, buckets on ice haters in the
corner mean muggin alright watch us while we ball
like... hey! we gon be at it all night... ball like... hey! we
gon be at it all night... I seperate you from your girl
cause I know what they all like black, white, latin, short
tall, all types love it when I ball like... hey! we gon be at
it all night... ball like... hey! we gon be at it all night.
