I done... dodged bullets got charges b, so
I ain't goin let you niggas bother me, hey
I ain't goin let you niggas bother me, hey
Hey keep on hatin' it don't bother me

All that bullshit beef don't even bother G
See, I ain't goin let you niggas bother me, hey
Hey keep on lyin it don't bother me, hey
Continue hatin it don't bother me

I'm fuckin broads overseas and the squad with me
So, I ain't goin let you niggas bother me, see
I ain't goin let you niggas bother me, hey
Hey keep on hatin' it don't bother me

Hey I'm a shine for my cousin and my father see, so
I ain't goin let you niggas bother me, hey
I ain't goin let you niggas bother me, hey
Hey keep on hatin it don't bother me

Got fifty-thousand in my jeans, my chest on gleam
My benz on them thangs and my son a king
My crib so clean and a wrist fulla bling
On the golf course blowin green on the green
Walkin outta court when it's bad as it seems
Charged dropped time served record wiped clean
Eh nigga it ain't just for said it's for seen
Like ali in the ring I'm a real champeen
Turned a clique of gorillas into a grand team
Nigga please I don't know what the man mean
I know you hatin that I'm doin my damn thang
Even worse I know it hurt cause you can't do a damn
thang about it
From out the box to the cover fanzines, double XL, five,
every magazine
Could you imagine life livin like a dream
Goin from sellin white to fiends on to livin like a king

I done... dodged bullets got charges b, so
I ain't goin let you niggas bother me, hey
I ain't goin let you niggas bother me, hey

Hey keep on hatin' it don't bother me

All that bullshit beef don't even bother G
See, I ain't goin let you niggas bother me, hey
Hey keep on lyin it don't bother me, hey
Continue hatin it don't bother me

I'm fuckin broads overseas and the squad with me
So, I ain't goin let you niggas bother me, see
I ain't goin let you niggas bother me, hey
Hey keep on hatin' it don't bother me

Hey I'm a shine for my cousin and my father see, so
I ain't goin let you niggas bother me, hey
I ain't goin let you niggas bother me, hey
Hey keep on hatin it don't bother me

Hey I done been through too much and came too far
For you to lie and make me look lame as you are
My mind too sharp my game above par
I'm on another level I ain't just another star
I'm used to swimmin with sharks pimp I'm ready for war
And in a better position than ever before
But all the poppin and the gossipin I'm forced to ignore
Cause if I bust ya in the face I'm a catch another case
I pull a pistol out my waist and I'm considered a waste
And I owe niggas worldwide not just here in the A
Cause the fact is most rap niggas is fake and it's
Hard to have real niggas relaced
So I keep the K in the closet bout a mil in the safe
I ain't gonna solve this it's just the way I'm feelin today
Hey, I'd rather see a nigga take my life than trick
myself off the streets and completely waste my life

I done... dodged bullets got charges b, so
I ain't goin let you niggas bother me, hey
I ain't goin let you niggas bother me, hey
Hey keep on hatin' it don't bother me

All that bullshit beef don't even bother G
See, I ain't goin let you niggas bother me, hey
Hey keep on lyin it don't bother me, hey
Continue hatin it don't bother me

I'm fuckin broads overseas and the squad with me
So, I ain't goin let you niggas bother me, see
I ain't goin let you niggas bother me, hey
Hey keep on hatin' it don't bother me

Hey I'm a shine for my cousin and my father see, so
I ain't goin let you niggas bother me, hey

I ain't goin let you niggas bother me, hey
Hey keep on hatin it don't bother me
