T.I. ft. Justin Timberlake - Dead and Gone ? lyrics

Chorus:

Ooooooo I ve been travelin on this road to long (to long)

Just trying to find my way back home (back home)

The old me is dead and gone? dead and gone? dead and gone

Ooooooo I ve been travelin on this road to long

Just trying to find my way back home

The old me is dead and gone? dead and gone? eeyy

Verse 1 (T.I.)

Ever had one of dem days u wish woulda stayd home

Run into a group of ni&&as; getting they hate on

U walk by they get wrong u reply then sh*t get blown

Way outta proportion way past discussion

Just u against them, pick one then rush em

Figure you get jump, yeah that next

They don't wanna stop there now they bussin

Now u gushin, ambulance rushin u to the hospital with a bad concussion

Plus ya hit 4 times bullet hit ya spine paralyzed waist down now ya wheel chair bound

Nevermind that now u lucky to be alive, Just think it all started u fussin with 3 guys

Now ya pride in the way but ya pride is the way u could *uck around get shot die anyday

Ni&&as; die every day all over bull sh*t dope money dice game ordinary hood sh*t

Could this be cuz of hip hop music or did the ones with the good sense not use it

Usually ni&&as; don't kno what to do whith their back against the wall so they just start shootin

For red or for blue or for blow I guess, from Bankhead upto ya projects

No more stray, now im straight, now I get it now I take Time to think, before I make mistakes just for my

family's sake

That part of me left yesterday the heart of me is strong today

No regrets im blessed to say the old me dead and

gone away.

Chorus

ooooooooo i've been travelin on this road to (to long)
just tryn to find my way back home (back home)
the old me's dead and gone (dead and gone) (x2)

Verse 2 (T.I.)

I aint never been scared, I lived through tragic
Situations coulda been dead lookin back at it
Most of that sh*t didn't even have to happen
But u don't think about it when u out there trappin
In apartments hangin smokin and rappin
Ni&&as; start sh*t next thing ya kno we cappin
Get locked up then didnt even get mad
Now think about damn what a life I had

Most of that sh*t look back just laugh
Some sh*t still look back get sad
Maybe my homboy still be around
Had I not hit the ni&&a in the mouth that time
I won that fight, I lost that war
I can still see my ni&&a walkin out that door
Who'da thought I'd never see Philant no more
Got enough dead homies I don't want no more
Cost a ni&&a his job, cost me more
I'da took that ass-whoopin now for sure
Now think before I risk my life
Take them chances to get my stripe
A ni&&a put his hands on me alright
Otherwise stand there talk sh*t all night
Cuz I hit you , you sue me,
I shoot you, get locked up, who me?
No more stress, now im straight, now I get it now I take
Time to think before I make mistakes just for my
family's sake
That part of me left yesterday the heart of me is strong
today
No regrets im blessed to say the old me dead and
gone away.

Chorus

Ooooooo I ve been travelin on this road to long (to
long)
Just trying to find my way back home (back home)
The old me is dead and gone? dead and gone? dead
and gone
Ooooooo I ve been travelin on this road to long
Just trying to find my way back home
The old me is dead and gone? dead and gone

Verse 3 (J.T.)

I turn my head to the east? I don't see nobody by my side

I turn my head to the west? still nobody in sight

So I turn my head to the north, swallow that pill that they call pride

The old me is dead and gone, the new me will be alright

I turn my head to the east? I don't see nobody by my side

I turn my head to the west? still nobody in sight

So I turn my head to the north, swallow that pill that they call pride

The old me is dead and gone, the new me will be alright

Chorus

oooooo i've been travelin on this road to long(to long)

just tryin to find my way back(back home) the old me's

dead and gone dead gone (x2)
