(Chorus)
Hey shawty throw that ass up
For me while you back up
To me niggas stand up
For me let's go, yea
Shawty lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
I make em put that ass up
For me while they back up
To me niggas stand up
For me let's go

Shawty won't you lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
everything on me but I could put it on you (x3)
Everything on me, let me put it on you

(Verse 1)
Im in the club late night get my freak on
Remy XO leave that hennessy lone
and 2 3 turning me on and got nothing but they high
hills and they weave on
If you aint freaking over here you aint be known
do if you feel good no matter if it seem wrong
She say i got a ding dong like king kong we can gon
kick it,
Wait a minute Thats my theme some
Hold on I want yo body ill pull it out put it on your body
You and me we can leave have a late night party
Do it for me like i like it i might just buy a Maserati

(Chorus)
shawty throw that ass up
For me while you back up
To me niggas stand up
For me let's go, yea
Shawty lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
I make em put that ass up

For me while they back up
To me niggas stand up
For me let's go

Shawty won't you lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
everything on me but I could put it on you (x3)
Everything on me, let me put it on you (Lets go)

(Verse 2)
Dominican Asain Brazilian big booty white girls who like
girls walk in they head again
Black and Puerto Rican you freak'n for the weekend say
yes you straight down leavin
You say no why we cheatin
But all do respect i dont front i dont flex tell your
girlfriend wid cha i just wanna have sex
You so fine I'm impressed ghetto booty perky breast
grinding on me in my lap im about as hard as i can get

and she smiling looking back yeah i know you feel that,
that pa-pussy so fat and wet let me put it to the test
So its all over she tried to pair it she said ain't finna
share it i said you gon need a towel cuz u finna make a
mess
Hey that my song, Hold on I want yo body ill pull it out
put it on your body
You and me we can leave have a late night party
Do it for me like i like it i might just buy a Maserati

(Chorus)
Shawty throw that ass up
For me while you back up
To me niggas stand up
For me let's go, yea
Shawty lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
I make em put that ass up
For me while they back up
To me niggas stand up
For me let's go

Shawty won't you lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
everything on me but I could put it on you (x3)
Everything on me, let me put it on you

Verse 3

Hey I be freak'n for the weekend let me know hit me
when the club close bust it open we can go
Here we go if you down to get it poppin get at me if you
wanna be with her then you both can be with me, its a g
If you bite it ima put it on you, you aint gotta be a
groupie and be part of the group
Is it true? If you bite it ima put it on you, you aint gotta
be a groupie if you part of the group

(Chorus)
Shawty throw that ass up
For me while you back up
To me niggas stand up
For me let's go, yea
Shawty lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
I make em put that ass up
For me while they back up
To me niggas stand up
For me let's go

Shawty won't you lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
everything on me but I could put it on you (x3)
Everything on me, let me put it on you
