Canâ€™t you see?
She donâ€™t want you around no more
Canâ€™t you see
That her handâ€™s pointing at the door?

Feet donâ€™t fail me now
How could anyone stay?
Anyone could see
Itâ€™s time to go away

Time to take a powder
Open up your eyes
But it feels like my legs
Have been paralyzed

Feet donâ€™t fail me now
Begging, please donâ€™t make a fool of me
Feet donâ€™t fail me now
Please donâ€™t keep me where I should not be

Feet donâ€™t fail me now
Stop pretending that youâ€™ve gone to sleep
Feet donâ€™t fail me now
Begging, please donâ€™t make a fool of me

See her things
Piled up in the hall
Turn around
Thereâ€™s a new picture on the wall

Feet donâ€™t fail me now
Weâ€™re the last ones to know
Anyone could see
Itâ€™s time for us to go

Time to hit the highway
Nothing left to do
But it feels like my shoes
Have been crazy-glued

Feet donâ€™t fail me now
Begging, please donâ€™t make a fool of me

Feet donâ€™t fail me now
Please donâ€™t keep me where I should not be

Feet donâ€™t fail me now
Stop pretending that youâ€™ve gone to sleep
Feet donâ€™t fail me now
Begging, please donâ€™t make a fool of me

Feet donâ€™t fail me now
How could anyone stay?
Anyone could see
Itâ€™s time to go away

Time to take a powder
Open up your eyes
But it feels like my legs
Have been paralyzed

Feet donâ€™t fail me now
Begging, please donâ€™t make a fool of me
Feet donâ€™t fail me now
Please donâ€™t keep me where I should not be

Feet donâ€™t fail me now
Stop pretending that youâ€™ve gone to sleep
Feet donâ€™t fail me now
Begging, please donâ€™t make a fool of me
Donâ€™t make a fool of me
