How you got it for real?
The lights, the lights. Nigga tell me how you got it for real

{Chorus}

She said she like the paint, she said she like the grill,
she said she like the soft material, I say for real. (how
you got it for real?)

She said she like the flowers, she said she like to roll,
she said she like the vehicle, she know it gon (how you
got it for real?)

She said she like the paint, she said she like the grill,
she said she like the soft material, I say for real. (how
you got it for real?)

The ?? is kill, the emblem is ill, she said that maybe we
can get away, I tell her yeaah

She said she like the boss, nigga, said she like a
player.. She said she like it when I hit it from the back
and pull her hair, girlfriend join in, she like "i don't
even care".. certified game spitting nigga and that's
how I got it for real

Bad bitch, say she wit it, right? Wild but the pretty type,
said she like to blow dro and ride through the city light..
The business type, freaky and she want to be and kick
it like I pimping might, said she wanna feel what that
jimmy like. Scoop her in the hemy then we headed
through the city.. get a room out at Lenox , I be out here
for a minute.. I be in it going digits, so you know them
hoes dig it menagin the king, so you know them
hoes wit it.

{Chorus}

She said she like the paint, she said she like the grill,
she said she like the soft material, I say for real. (how
you got it for real?)

She said she like the flowers, she said she like to roll,
she said she like the vehicle, she know it gon? (how
you got it for real?)

She said she like the paper, she said she like the grill,
she said she like the soft material, I say for real.(how

you got it for real?)

The ?? is kill, the emblem is ill, she said that maybe we can get away, I tell her yeaah

Yup, really wasn't much to it.. I'm tryna back up off her, she be begging me to do it.. she be telling me about her pussy, about how it gettin gooey, and how she couldn't wait for me to stick my dick in to it. I said you got a man, she say, but he a square.. he don't even be liking smack my ass and pull my hair, he keep me in the house and he don't take me anywhere.. or buy me anything and I don't think it really fair.

I say you got a point, but you don't wanna cheat.. she say he making love and she wanna be a freak, and she got another side, she say you don't wanna see.. and in case you wanna know, thats why she wanna be with me!

{Chorus}

She said she like the paint, she said she like the grill, she said she like the soft material, I say for real.(how you got it for real?)

She said she like the flowers, she said she like to roll, she said she like the vehicle, she know it gon? (how you got it for real?)

She said she like the paint, she said she like the grill, she said she like the soft material, I say for real.(how you got it for real?)

The ?? is kill, the emblem is ill, she said that maybe we can get away, I tell her yeaah

Ayy, I got it like this. she ain't fun to trip and serve her clit to me & tip.. I met her in miami, told her pimpinn coming soon, and she gon' bust it wide open just to get off in that room.. in the meantime let me introduce myself, extraordinary baby.. unlike anybody else.. (say wassya name?) well thats irrelevant, but maybe this'll help, know when your sucking on me.. you sippin on top shit..

Ay, you see me, top down, jet black, rollys wit a bitch that don't like girls but i'm thinking we can fix that.. hit this blunt, one of these and sit back, wait a half an hour.. all your issues, you'll forget that .. now she kissin' on my nipples, licking on my six pack, blowin in my ear, then sliding down to where my dick's at.. my phone just be humming, so the pussies just be follwing me, honestly.. i'm just tryna tell you how I got it for real.

{Chorus}/{End}

She said she like the paint, she said she like the grill,
she said she like the soft material, I say for real.(how
you got it for real?)

She said she like the flowers, she said she like to roll,
she said she like the vehicle, she know it gon? (how
you got it for real?)

She said she like the paint, she said she like the grill,
she said she like the soft material, I say for real.(how
you got it for real?)

The ?? is kill, the emblem is ill, she said that maybe we
can get away, I tell her yeaah
