[T.I.]

I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]

I'm livin' the good life.

[T.I.]

I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]

I'm livin' the good life.  
I'm on top of the world.  
I'm on top of the world.  
I'm on top of the world.  
I'm on top of the world.

[T.I.:]

I was born into poverty raised I the sewerage  
Streets always would be a part of me, it made me the  
truest  
And even when my days were the bluest  
I never ran from adversity, instead I ran to it  
Fear ain't in the heart of me I learned just do it  
You get courage in your fears right after you go  
through it  
Now I come through in a Coupe on 22's  
That ain't bad for a nigga who ain't even finish school  
Don't get me wrong I ain't never been a fool  
I just put off graduatin' for a pair of tennis shoes  
I used to use the beat to paint my pain  
But nowadays man I can't complain  
I got several automobiles and they all on things  
Several size of tangent and they all in 1 chain  
Used to see me in the mall I'm the same  
And get a couple broads givin' brain on the plane.

[T.I.]

I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]  
I'm livin' the good life.

[T.I.]  
I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]  
I'm livin' the good life.  
I'm on top of the world.  
I'm on top of the world.  
I'm on top of the world.  
I'm on top of the world.

[Common:]  
I come from Chi-Town lost and found in the struggle  
Where dudes say stay safe and stay out of trouble  
Speak is muffed the law and B gon try to cuff you  
Those with duffles move weight and have muscles  
I came through the dirt with a verse for the people  
Open up for Daddy Kane and Easy up at the Regal  
The radio rarely put their needle on my record  
They ain't see how the hood and heaven were  
connected  
Sounds projected, ain't show how effective  
Lessons learned, sessions turned to life reflected  
And everything I found real in life know I kept it  
They say life's a teacher, your gonna get tested  
When a nigga changed they keep sayin' that nigga  
strange  
Couldn't see how my mind won't be the lame  
Ahead of my time I caught up with the game  
Makin' good music makin' paper makin' change.

[T.I.]  
I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]  
I'm livin' the good life.

[T.I.]  
I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]  
I'm livin' the good life.  
I'm on top of the world.  
I'm on top of the world.  
I'm on top of the world.

I'm on top of the world.

[T.I.]

I put on gasoline drawers I stood in the fire  
With enough heat to set the hood on fire  
Man you niggas think Suge was off the wire  
You should've seen the squad before I had Messiah  
We assumed the title as the #1 supplier  
Felt like I was sellin' blow since I was in diapers  
And we wish a nigga would come try us  
We was cool with the killers, best friends with the lifers  
Quick to up and scrap with nigga who want to deny  
For what we considered then as a lucrative empire  
But like that pimpin' time flash by you  
Now I wonder what the judge think as he readin' my  
priors  
Prison ain't full and the reefer ain't bias  
You ain't got to tell and distant the liars  
Gave the jail hell and shot birds at the hearse  
Lived through worse and reversed the curse.

[T.I.]

I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]

I'm livin' the good life.

[T.I.]

I keep tellin' myself  
Man I'm livin' the good life.

[Pharrell:]

I'm livin' the good life.  
I'm on top of the world.  
I'm on top of the world.  
I'm on top of the world.  
I'm on top of the world.

[Phone Call Skit:]

[Man:]

Man, this is crazy.  
You know what I'm sayin'?  
You know what I'm sayin'?  
I call you a bitch and then you don't call me back.  
I can't... You know you don't answer the phone.  
And then I call your mama, you know.  
And I call her and ask her: "How's everything goin'?"  
And then she'll get on the phone.  
Well, I heard what happened wit you and then... you

know.  
She's too fuckin' negative baby come back in my life.  
I'm just goin' through somethin' right now.  
Let me hit this power one more time.  
Girl, you know how I feel about it.  
I'm in love wit you bitch.  
This is the reason why I'm goin' through this shit.  
Hystorically ya'll need to be puttin' this timper land all  
on yo' ass.
