Yeah

Haha

Okay well, I suppose it's safe to say

That this is the end for you

And the beginning for me.

I'm a really nigga, nothin' artificial

I run with former drug dealers, and they all official

I know you soft as tissue, So ain't no arguin' with you

Say it's all fun and games 'till them bottles hit you

Get ya issue if you want it, I don't play it dawg

You don't wanna see them killers with the K dawg

Zone-1, West side of the A dawg, (BANKHEAD!)

Ya thinkin we some suckers you was way off

I ball all night, go hard all day, fall deep up in you
broad all day

T.I., not blind that's odd i say, big bank rolls im a sarge
all day

Never mind they blaz© blaz©

Just m©nage and folly with some latin hotties out of
hollywood in my dunalli (ay yeahh)

Flawless bodie, gorgeous faces, safe to say they goin'
places

Great head, wet pussy, touchin' butts, or bases

Ay shawty goin in, won't ever go away,

And I'll be goin ape shit, ain't no need to tell 'em. They
know.

[Chorus]

They know, they know, they know

They know, they know, they know

They know, they know, they know

Yeah, they know, yeah

That the real is on the rise, fuck them other guys

I even gave them a chance to decide, now it's
something they know

They know, they know, they know

[Verse 2]

I be yelling out money over everything, money on my
mind

Then she want to ask when it got so empty

Tell her I apologize, happened over time

She says they miss the old Drake, girl don't tempt me

If they don't get it, they'll be over you
That new shit that you got is overdue
You better do what you supposed to do
I'm like "Why I got to be all that?" but still I can't deny
the fact
That it's true, listening to you expressing all them
feelings
Soap opera rappers, all these niggas sound like "All My
Children"
And that's who you thinking is about to come and make
a killing
I guess it really is just me, myself, and all my millions
You know that they ain't even got it like that
You gone hype me up and make me catch a body like
that
Plus I live for this, it isn't just a hobby like that
When they get my shit and play it, I ain't even got to
say it, they know
[Chorus]
They know, they know, they know
They know, they know, they know
They know, they know, they know
Yeah, they know, yeah
That the real is on the rise, fuck them other guys
I even gave them a chance to decide, now it's
something they know
They know, they know, they know
[Outro - Drake]
I be yelling out money over everything, money on my
mind
(Mind, mind, mind)
Tell them I apologize, It happened over time
(Time, time, time, time)
They know
[Outro - TI]
