(Rihanna):

You're gonna be a shining star, in fancy clothes, and
fancy car-ars.

And then you'll see, you're gonna go far,
Cause everyone knows, just who you are-are.

So live your life, ay ay ay.

Your steady chasing that paper,
Just live your life (Oh!), ay ay ay.

You got no time for no hata's
Just live your life (Oh!), ay ay ay.

No telling where it'll take ya,
Just live your life (Oh!), ay ay ay.

Cause I'm a paper chaser,
Just living my life (Ay!), my life (Oh!), my life (Ay!), my
life(Oh!),

just living my life (Ay!), my life (Oh!), my life (Ay!), my
life(Oh!),

just living my life

Nevermind what haters say, ignore them 'til they fade
away.

Amazing they ungrateful after all the game I gave
away.

Safe to say I paved the way, for you cats to get paid
today.

You still be wasting days away, nah had I never saved
the day.

Consider them my protÃ©gÃ©, how much I think they
should pay.

Instead of being gracious, they violate in a major way
I never been a hater still I love em in a crazy way

Some say they sold yay and no they couldn't get work
on Labor day.

It aint that they black or white, it has an area a shade of
grey.

I'm West side anyway, even if I left today and stayed
away

Some move away to make a way not move away cause
they afraid.

I brought back to the hood and all you ever did was
take away

I pray for patience but they make me want to melt they
face away.

Like I once made them spray, now I can make them put
they K's away

Been thuggin' all my life, can't say I don't deserve to
take a break.

you rather see me catch a case, and watch my future
fade away.

(T.I.):

I'm the opposite of moderate, immaculately polished
with the spirit of a hustler and the swagger of a college
kid.

Allergic to the counterfeit, impartial to the politics.
Articulate but still would grab a nigga by the collar
quick.

Whoever havin problems wit they record sales, just turn
around and holla TIP

If that don't work and all else fails just turn around and
follow TIP

I got love for the game but ay, I'm not in love with all of
it.

I do without the fame and the rappers nowadays are
comedy.

The hootin' and the hollerin', back and forth with the
argueing.

Where you from, who you know, what you make and
what kind of car you in.

Seems as though you lost sight of whats important with
the positive.

And checks until your bank account, and you're about
poverted.

Your values is a disarrayed, prioritized are horribly.

Unhappy with the riches cause you piss poor morally.

Ignoring all prior advice and fore warning.

And we mighty full of ourselves all of a sudden, aren't

we?

(Rihanna):

You're gonna be a shining star, in fancy clothes, and

Cause I'm a paper chaser,
Just living my life (Ay!), my life (Oh!), my life (Ay!), my
life(Oh!),

just living my life (Ay!), my life (Oh!), my life (Ay!), my
life(Oh!),

So live your life
