[T.I.]

My section in the club, Remy, Rose
When you're all ready say go, okay
Everybody pop a bottle, make that thing go pop
Everybody pop a bottle, make that thing go pop
You see him standing on the furniture doing his thing
Tell the club owner, f-ck yo' crouch, Rick James n-gga
Pop a bottle, make that thing go blow
Let her drink it till she drown
Atta girl gon' wild, pop a bottle
Bow, bow, bow

[T.I - Verse 1]

Bring the 1738 Champagne the boss
Watch ya gettin' money make it rain buy a bottle
Pop a cork, dork
If I may retort
I ball just as hard tomorrow as the day before
I pop bottles but I dont pour
Save the glass for guys, we ballin' on a budget
F-ck it, let your glasses rise
I'm straight to the head with mine, why you acting surprised
Ask any hoe who know me, all I do is smash and ride
Buckets of bubbly, shake it up and let it splash in the eyes
No subtraction, only cash to divide
We gettin' money, bank roll, supersized
Whether rain, sleet, sunny
Let the good times roll and the bottles keep coming

[Chorus]

And everybody tryna listen n-gga, speakerphone

I know the sucker wish the judge threw the book at me
Cause I show up to the club, super cool, look at me
Everything brand new, you get money like who?
Spent 150 on my car and my Audemar too
When I walk up in the spot, aint nobody saw you
They see me like "there he go"
Look at you like " ahh who?"
Bought every bottle at the bar
Shortie you know how I do
I take em all across your , I aint finna argue
Still big sh-t poppin, nothing changed but my clothes

Triple digits in my pocket, rubber band bank roll
Tell the bitch I take you places where your man can't go
Can't be, he aint doing sh-t, if he aint me
Cant you see the difference between us when I walkin
to the door
Your twenty thousand worth of ones, start letting
money go
Let it fly, throw some twenty when my one running low
Fifty stack, I'mma show you how to ball, triple that

[Chorus]
