I'm lookin' for the country girls
Go shorty do your thing now
City girls
Go shorty do your thing now
Sexy girls
Go shorty, do your thing now
Pretty girls

I need that one that'll make ya heart stop when you see
her
She can get a pick of the 'Ilac or the Modena
I'll give it all from two to fo'-seaters
It ain't gotta be Halloween, I'm trickin' just to treat her

Jealousy in the urr, other girls wanna be her
She young right now, she's an up-and-comin' diva
She ain't gotta measure up, but she gotta be off the
meter
But if I can dance with Cindy, I can dance with Shaquita

'Cause I know I can, I shall, I will
I feels, I can, I felt
I plays with a whole lotta mil's
You ain't talkin 'bout nothin' if you ain't talkin'
'Bout dollar bills, hey!

Shorty glow shine, so fine, you gotta keep her, hey!
Pretty toed, half black, half senorita, hey!
Coochie so good, make it hard for you to leave her
I'm a playa so even if I'm losin' I never cheat her, uhh

Girls, girls, fly girls, yeah, yeah, yeah
Pretty toes all around the world

I'm lookin' for the country girls
Go shorty do your thing now
City girls
Go shorty, do your thing now
Sexy girls
Go shorty, do your thing now
Pretty girls

T I P be off the meter when he sharp as a needle
In a new two-seater, pissin' on niggaz ego
I don't wanna rap no mo', I'm CEO
No mo' menage-a-trois, the full trio

Three ho, get in they mind like Miss Cleo
You know, nigga try a hold like Judo, oh!
I know a lot of nigga hot about me
I know you niggaz ain't forgot about me

I'm a shouter with the O's and the dro
And the blow and the, Jag-O and get the clothes out the
sto'
Anyway, I got a bottle of mo' and X-O
And I'm lookin' for a modelin' ho, so let's go

Six nights, six flights, six shows
Six checks, each one, six O's
Six broads to choose, they six pros
Light-skinned Asian bitches with pink toes

Girls, girls, fly girls, yeah, yeah, yeah
Pretty toes all around the world

I'm lookin' for the country girls
Go shorty, do your thing now
City girls
Go shorty, do your thing now
Sexy girls
Go shorty, do your thing now
Pretty girls

There's so many fly girls I've seen around the world
I gotta get me a girl, I gotta get me a girl
Nikki, Tasha, Kiki, and Laverne and Cheryl
I gotta get me a girl, I gotta get me a girl

Now I done been around the world twice, back again
Whoever thought I'd be twenty times platinum
Whoever thought I'd have jewels but I lack a gem
I done dealt with plenty dimes, but I lack the ten

A New York chick, I met her through the fashion biz
And we be doin' them type of thangs, you can't
imagine shit
She be bitin' and screamin' 'cause she's so passionate
Shorty got blue eyes but she's African, African, African

Girls, girls, fly girls, yeah, yeah yeah
Pretty toes all around the world

I'm lookin' for the country girls
Go shorty, do your thing now
City girls
Go shorty, do your thing now
Sexy girls
Go shorty, do your thing now
Pretty girls

We wanna thank all the ladies for comin' out tonight
Every one that, you know, open-toed, inch-heel stiletto
Maybe you might have a open-toed sandal
Or maybe you just runnin' to the grocery sto' in your
house shoes
With your feet out, girl you lookin' good

There's so many fly girls I've seen around the world
I gotta get me a girl, I gotta get me a girl
Nikki, Tasha, Kiki and Laverne and Cheryl
I gotta get me a girl, I gotta get me a girl
Hey, hey
