I'll tell you what to do

If you got you a ho I'll tell you what to do

If you got you a ho I'll tell you what to do

I'll tell you what to do

If you got you a ho I'll tell you what to do

I'll tell you what to do

If you got you a ho I'll tell you what to do

I'll tell you what to do

If you got you a ho I'll tell you what to do

I'll tell you what to do

If you got you a ho I'll tell you what to do

I'll tell you what to do

If you got you a ho I'll tell you what to do

I'll tell you what to do

[AK]

She got ho tendencies

Plus she fucked the whole P\$C

Gon' set it out pimpin'

Come on nigga keep it G

She got it from her momma

Oh yes she's a nasty freak

Plus she like 'em you like Boomerang's Lasy Eloise

And ya girl swallows till her voice goes hoarse

She had all kinds of dick tangled up her spinal cord

The laws of physics couldn't explain how her legs

behind her head

While she givin' head hangin' off the edge of the bed

Thought she had a milkshake when her bang pop out

her head

Pussy fat like Bone Crusher plus the ho ain't "Never

Scared"

She licked all the dogs balls scratched all the

pussycats

So she goes both ways, yeah she's a brainiac

Knowin' this information how can you be cuffin' that

and lovin' that

Already they heard another one they hittin' that and

gettin' that

I know you want the ho she like clothes, very trendy

But you need to set her out and stop being stingy

[Hook]

If you got you a ho, I'll tell you what to do  
Gon' set the ho out, I'll tell you what to do  
If you got you a ho, I'll tell you what to do  
Gon' set the ho out, I'll tell you what to do  
If you got you a ho, I'll tell you what to do  
Gon' set the ho out, I'll tell you what to do  
Don't cuff her, set her out  
Don't cuff her, set her ou  
If you got you a ho, I'll tell you what to do

[Mac Boney]

I'm ol' school Boney, they call me Frank the Tank

And she do it all day cause she really love the taste  
It's a waste if you tryin' to keep that action to yo damn

We'll tag team me and shawty share the same belt  
It don't really matter if you dig her or you dis her man  
Do your boy a favor when you out don't kiss her man
