[Verse 1: T.I.]

When I think about all my time and all my struggle
Through all my grindin' and all my troubles
Man I came up from nothin' all I had was a hustle
With a blindfold tryin' to find pieces to the puzzle no
muzzle
I tell it like it is, that's that
Right or wrong I'm a call it like I see it don't forget
That impossible is nothin' your environments irrelevant
Just don't let your emotions overpower your intelligence
Refuse to give up, your mistakes don't define you
They don't dictate where your headed they remind you
The Time keep tickin' let your mind keep clickin'
Never stop thinkin' be aware of your positions
Be aware of the collisions and the potholes sittin'
On the road that you travel on your life long mission
Just listen every day is like a snapshot taken
If you live you can learn to be patient.

[John Legend:]

Cause life is like a slideshow
All the places that I go
And I the things that I know
Through all the highs and low
Cause life is like a slideshow
All things that I've seen
And all the things that I've dreamed
You can't take away from me
Cause life is like a slideshow.

[Verse 2: T.I.]

As I look back at a fly young cat
Who could rap with a dream look where I took that
Beginnin' on Bankhead then it spread out
Vision in my head all I had to was get it out
When I walked out of my house and looked at my street
All I seen was opportunity that led me to truency
I ain't really have a role model to influence me
Uncle Quinn in prison they say next it's going be you in
it
As I juvenile caught cases so fluently

Look at my life and learn from it don't do it
If I only knew back then what I know now
How much better life would of been if I done slowed
down
Maybe I done been Kanye instead of seeing Gunplay
But God got a plan, I'll understand one day
But one day of life, like a snapshot taken
Just believe you can make it have faith be patient.

[John Legend:]
Cause life is like a slideshow
All the places that I go
And I the things that I know
Through all the highs and low
Cause life is like a slideshow
All things that I've seen
And all the things that I've dreamed
You can't take away from me
Cause life is like a slideshow.

[John Legend:]
Oh, oh, oh~!
Lookin' back on my lifetime
See the slides go by, sometimes I wonder why
Lookin' back on where I've been
I remember when do you remember then.

[John Legend:]
Cause life is like a slideshow
All the places that I go
And I the things that I know
Through all the highs and low
Cause life is like a slideshow
All things that I've seen
And all the things that I've dreamed
You can't take away from me
Cause life is like a slideshow.
Oh.
Cause life is like a slideshow.
Oh, oh.
Cause life is like a slideshow.
Cause I see, cause I dream
Life is like a slideshow.
Oh, oh, oh.
